The Department of Premier and Cabinet have issued an invitation for all interested persons to attend the Launch of Tasmania’s Centenary of ANZAC Commemorations to be held on the 18 October 2014 from 1:00 – 3:00pm in Hobart. Various activities are planned and more details are available on Council’s website at www.warwyn.tas.gov.au.

In October 1979, the then Warden of Wynyard, Cr Bill French and a group of local children buried a Time Capsule in the lawn outside the now Waratah-Wynyard Council Chambers. The Time Capsule was created to celebrate the International Year of the Child and was an initiative from local members of the International Year of the Child committee. The capsule contains various items which portray the social, cultural and economic way of life in the late 1970’s. The items included newspapers and cassette recordings of ‘contemporary’ music. The capsule was buried for 35 years and is due to be recovered during October. Any local community members involved in the creation of the capsule are requested to contact Council to assist in the recovery ceremony. Contact Chantelle French on 64438320.

The Community Survey closes tomorrow so I encourage you to take the opportunity to either visit the Council’s website www.warwyn.tas.gov.au/yoursay and follow the links, or call into the Council Offices at 21 Saunders St. Wynyard to have your say.

A reminder to everyone that the voting for the Local Government Election has now commenced. If you want a say in who is going to represent you over the next 4 years in your local community, please send your postal votes in by Tuesday the 28th of October.
