The Bloomin’ Tulips Festival is seeking sponsorship for this year’s festival. If your company would like to be a part of this wonderful festival there is still time to register. The major sponsorship category for naming rights is still available. Volunteers are now being asked to register. Volunteers are an important part of the success of the Festival and any help that you can provide is much appreciated. If you can assist with either sponsorship or volunteering please contact Chantelle French on 6443 8320.

A reminder that the discount period for registering your dog closes on 31 July. With most dog registrations prior to this date the discount of 50% on the normal fee is worthwhile. Registering your dog is not only the law, but also helps us to reunite your dog with you if it is found roaming. For enquiries contact Council on 6443 8333.

The annual Rates notices will be sent out to all ratepayers on the 30th July and will start arriving in mailboxes next week. If you do not receive your notice or have failed to change your address contact Council on 6443 8333.

The Wonders of Wynyard launched a new exhibition on the 18th July featuring an exhibition of works from the Chat and Choose Craft Group in Wynyard. Crafts on display feature art, bunker, card craft, crochet, stumpwork embroidery, mosaics, patchwork, candlewicking and scrapbooking. The exhibition is open until the 31st August.

A reminder that if any property owners in the rural areas affected by the recent devastating floods require assistance to make contact with the Flood Recovery Group on 1800 567 567 or email floodrecovery@dpac.tas.gov.au. Volunteers are also welcome to register their interest in helping with this program.
