Well done to all at the Saunders Street Clinic on taking out the RACGP General Practice of the Year Award. This is an enormous achievement from one of our local businesses. Thank you for the service you all so willingly provide to our community.

Congratulations to Dylan Smith from the Wynyard Cats on winning the 2017 Darrel Baldock Medal. This was his first year back with the Cats in the NWFL after playing with Burnie in the state league last year. Well done Dylan; it’s great to have someone from our community recognised as the best player in the league.

Contractors will start work on the replacement of the pedestrian bridge at Sisters Beach from next month. The bridge replacement is one of the capital works projects included in the 2017/18 budget. The contractors are planning to make a start on this on October 16, with the work expected to take a week to complete, weather permitting. The walkway will be closed to all pedestrians during this time and I would like to thank the community in advance for their patience during this period.

Another reminder that Council will be holding a two-day workshop on November 27 and 28 called ‘Bridges out of Poverty.’ The workshop is designed for businesses and service providers whose daily work connects them with the lives of people in poverty. A number of Council staff will be participating and there are also a number of spaces available for members of the community to attend. If you are interested, please contact Leanne King at Council on 6443 8321 or email lking@warwyn.tas.gov.au to register your interest or make enquiries.
