Welcome back everyone; I hope you enjoyed the Easter break and that the Easter Bunny managed to find you. If you were driving on the Bass Highway over the break you will have noticed that work is progressing on the upgrades to the intersections near Wynyard. It’s great to see progress being made here and I’m sure this will improve the safety for motorists in the area.

If you’re looking for some exercise that will be more than a walk in the park, Council has two upcoming, scenic walks you may be interested in. On Friday 20 April there will be a half day walk from Boat Harbour Beach to Sisters Beach. Then on Thursday the 26th there is an all day walk from Rocky Cape to Sisters Beach. These are both free events, with buses leaving from the Wynyard Community Centre at 9.30am on both days. For further information, or to register for these walks contact Richard Muir-Wilson at Council on 6443 8363 or email rmuirwilson@warwyn.tas.gov.au

You may have noticed some recent stories in The Advocate about Mission Possible 2018, which aims to provide items to locals in need. I’m pleased to say Council is a registered drop off point for items on the wish list and will shortly have a drop off box available at the Council office. Items you can donate include cereals, shampoo, deodorants, toothpaste, lunch box snacks and personal care items.

Now that we’re into April, a new exhibition has opened up in the gallery at the Wonders of Wynyard Exhibition Centre. This month’s exhibition is ‘Dear Amazing You,’ which will be on display until the 28th of April.
