LAST week Waratah-Wynyard, along with Circular Head, King Island and West Coast Council Mayors, asked for feedback from our community into the Draft Sustainable Murchison Community Plan 2040. This is an important document that will guide how communities priorities over the next 25 years. There will be a public workshop at the Waratah-Wynyard Council Chambers, 21 Saunders Street, Wynyard this Friday (12 August) from 10am until 12 noon to go over key aspects of the plan. Comments and more information about other ways to contribute are available via www.placespeak.com/murchison2040

COUNCIL was last week buoyed by the success of the Bloomin’ Tulips Festival and the Wonders of Wynyard Exhibition and Visitor Information Centre, which took out awards at the Cradle Coast Regional Tourism Awards. “It is so great to have both the Bloomin’ Tulips Festival and the Wonders of Wynyard recognised for the significant role they play on the North West Coast,” Mayor Walsh said. Following last year’s win for the Bloomin’ Tulips Festival, this is truly something our whole community can be proud of. I would like to thank all those who have helped make the Bloomin’ Tulips Festival and Wonders of Wynyard such vital assets to our region, particularly the many hours put in by volunteers. I also congratulate the owners of Alexandria Bed and Breakfast and the Coastal Pods, Wynyard for taking out awards at the event. Well done all, this was a great week for Wynyard!
