The Wynyard - Yolla Uniting Church Fair Flea Market and Garage Sale will be held at the Church Hall, Dodgin St, Wynyard on Saturday (April 18) from 9am until 1pm. Stalls will be selling home cooking, produce, jams and sauces, second hand books and much more.

With the onset of wet weather I would like to remind property owners in rural areas to take care when driving on to public roads. Any mud or otherwise that is taken on to roads can end up being a hazard, so please try and keep them free of debris in the interest of all drivers.

Our works team has recently experienced a number of livestock escaping through inadequate fences. This is a major concern as the possible impact of hitting livestock on the road could end up being a fatal accident. So if you own a rural property please ensure that your fences are adequate and well maintained.

This year ANZAC Day will be marking the 100th anniversary of the Gallipoli landings and therefore I encourage you to attend one of the many services that will be on offer across the municipal area. These services are as follows:
