I WOULD like to advise Sisters Beach residents that there will be a planned power outage today (16 August) from 9am until 3.30pm in the following areas: Honeysuckle Ave, East Boulevard, Bridge Street, Elfrida Ave, Cumming St, Pine St and Lagoon Ave. For further information please contact TasNetworks on 1300 137 008.

COUNCIL will be undertaking another Community Satisfaction Survey at the end of this month This is the second time Council has conducted the survey, which will help to establish trends and changes in community expectations and demand. The results of this survey helps to inform Council’s planning processes, with the public able to have further opportunities to provide input into our strategic direction and range and levels of service provided. The 2016 Community Satisfaction Survey will be available online via Council’s website at http://www.warwyn.tas.gov.au/yoursay with paper copies available at Council and also sent to a random selection of 1250 households in the Waratah-Wynyard Municipal Area. The survey will be undertaken between 29 August and 23 September 2016 by a third party provider to ensure confidentiality, unbiased reporting and full transparency of the results. The results of the survey will be published in late October 2016.

The first five mural panels will be going up the Wynyard Woolworths wall in the next few weeks. These mural panels are thanks to some great cooperation between the building owners, their managers and Woolworths themselves, along with the many people who have supplied images including from the Robinson collection, the Tasmanian Museum and Art Gallery, the Wynyard Historical Society and the list goes on. Hopefully all the mural panels will be in place by early September.
