Congratulations to the Somerset Sharks who recently took out the Northern Victory League soccer competition for the third year in a row. Somerset will now take part in the Victory Cup up against some of the other top teams in the state.

It was great to recently catch Somerset Heat playing in the finals for the NWBU Senior Men’s basketball and while they didn’t win they put in a good fight. The Senior Women were also close to finals, with the team only getting out of contention one week beforehand. The strength of sporting bodies in Somerset is something we should all be proud of.

Further congratulations also to Wynyard Cats captain Gregg Sharman who recently became the second player in NTFL/NWL history to boot 100 goals in consecutive seasons. Gregg has been a great asset to the club and I look forward to seeing the Cats play in the semi finals in Wynyard later this month.

Derek Grundy is calling for volunteers for the Australian Four Day Enduro (A4DE) to be held in Wynyard between the 19 and 23 October. They will need about 70 volunteers each day. Whoever volunteers will be up close to the action and will have the opportunity to see some of Australia best riders plus riders from overseas. To volunteer please contact Lyn Grundy on 0408 931 166 or call in at Motorcycle Scene at 155 Bass Highway, Cooee, and fill out an application. Any help no matter how big or small will be appreciated.
