Council in conjunction with the Wynyard RSL will be planting a lone pine tree (which is a descendant of the Lone Pine at Gallipoli) in Wynyard and Somerset today (21 April 2015) in commemoration of the 100th anniversary of the Gallipoli landings. Following yesterday’s planting at Waratah, there will be a planting in ANZAC Park today at 1.30pm, followed by another at the Wynyard Cenotaph at 2.30pm. I hope to see you there.

This week sees students return to school following the Easter and term break. So please take care to observe the 40kmh speed limit in school zones as well as remembering to stay alert on roads across the municipal area. With school buses and increased traffic, now is the time to take some extra time and care.

Don't be alarmed if you see someone going through your recycling! It's all part of a Cradle Coast Waste Management initiative to assist residents in understanding what should and should not be recycled. This educational program will involve CCWM officers checking kerbside recycling bin contents at random and providing residents with helpful tips or recognition of great recycling practices by placing an informative sticker on the lid of the bin. Further information can be found by visiting www.rethinkwaste.com.au or by contacting Council on 6443 8333.
