Council adopted its Annual Plan and Budget for 2016-2017 last week, which includes more than $6 million investment in infrastructure. Council has committed to keep any rate increases in line with the 2016 Council Cost Index and we have delivered on this objective by keeping it to 1.87%. There are a number of significant projects next year including the development of a Wynyard Central Area Development Plan and the design and construction of a new carpark at the rear of the former Stubbs Hardware site in Wynyard, $650,000 for the Somerset Village Development Plan, $500,000 to commence staged implementation of the Camp Creek Rehabilitation works and $675,000 for the completion of road works included in the Wynyard Waterfront and Environs Masterplan and much more. For more information visit Council or go to our website at www.warwyn.tas.gov.au

It’s that time of the year again to register your event to be included as part of this year’s Bloomin Tulips Festival. Each year the program lists community events in the three weeks leading up to the festival, which is all about promoting the various things happening at that time of the year. Meanwhile, there are only a few more days to register an Expression of Interest form to be considered as a stallholder at this year’s Festival, with applications closing on Friday (1 July). For more information on listing a community event or registering to be a stallholder please visit www.bloomintulips.com.au or contact Chantelle French on 6443 8320.
