

The Coronavirus COVID-19 has meant that we must take extra precautions to ensure our community halls are accessible for community use. As a hirer of a facility there are additional requirements you will need to do to make sure the facility is safe and ready for the next group to use.

You must agree to follow the social distancing rules and instructions listed below in line with the **COMMUNITY FACILITY COVID-19 SAFETY PLAN**. Please note; this is in addition to the standard hire agreement.

**I agree to:**

Do not allow people to access the facility if they are feeling unwell or displaying symptoms of COVID-19. If and unwell person does enter or attempts to enter the premises, please ask that they leave and call the National Coronavirus hotline (1800 020 080).

**Physical distancing**

- Ensure posters remain displayed around the facility communicating the need to keep at least 1.5 metres distance between people.
- Ensure the maximum safe capacity is not exceeded – this is noted on the posters and refers to how many people can be in the facility and in each area at any one time. This has been calculated using the new social distancing rules and size of the facility. Please refer to the posters at each entry point.
- If tables and chairs are being used, ensure they comply with social distancing rules.

**Handwashing and hygiene**

- Use your own hand sanitiser and/or soap and water in the bathrooms.
- Ensure your members/participants sanitise and/or wash hands.
- Ensure posters with instructions on how to correctly wash hands or use sanitiser remain displayed in the toilets.
- Instruct your members/participants on other ways to limit the spread of germs, including by not touching their face, sneezing and coughing into their elbow, and staying home if feeling unwell.
- Remind your guests to limit contact with others: no shaking hands, hugging or touching objects unless necessary.

**Cleaning**

- Ensure any areas used are cleaned and disinfected after each use with appropriate products; for example, door handles, bench tops, light switches, equipment, tables and chairs.
- Ensure the person cleaning the area wears gloves and washes their hands thoroughly with soap and/or use an alcohol-based hand sanitiser before and after wearing gloves.

- Record on the [Covid Cleaning Register](#) the date and time you last cleaned along with your name and signature.
- Bring along your own crockery or cutlery if using the kitchen area or provide users with an environmentally friendly disposable option.
- If possible, accept only cashless transactions.

### Maintain a record of participants

To facilitate contact tracing:

- All visitors to the facility are required to use the Check in Tas app. If a user does not have a smartphone, they can check in via another user within the group, or their details can be recorded by the hirer of the facility.
- Treat personal information about facility user's health carefully, in line with privacy laws.

### Stay Informed

- Keep up to date with Covid-19 advice by visiting [Coronavirus.tas.gov.au](https://www.coronavirus.tas.gov.au) including any restrictions on normal business activities, and respond accordingly.
- Download the [Coronavirus Australia app](#) for official information and advice about COVID-19, or join the [WhatsApp channel](#) and frequently check for updates.
