## The Event

There's a spectacle in Wynyard each Spring! Thousands of people come together to make merry on the Inglis river bank for the Tulip Festival, original land of the tommigener people.

On the Cape, tulips bloom in colourful rows overlooking Bass Strait. Goldie Street transforms into a foodie heaven, and live music soars from the main stage. Helicopter thrill rides and bus shuttles zip around the Tulip Farm and the coastline.

Free activities for families crank up the joy factor and a flock of artisans and crafts folk enjoy the opportunity to perform and share their original wares from the foreshore market right into Gutteridge Gardens.

Games, rides and rich raffles delight. Friends connect for a meal and dance into the evening and fireworks light up the sky over town.

For over 30 years, the Tulip Festival thrives on the continued ownership of community, sponsors and visitors.

Visitors get a taste of the local flavour of the North West too. It's become a mainstay in the Tasmanian events calendar and contributes to the local economy.
