

WARATAH-WYNYARD COUNCIL

MAYOR'S WEEKLY MESSAGE by MAYOR Robby Walsh 3 July 2018

There has been no shortage of activities to be involved with in our municipality- just in the last week I've had the pleasure of attending some very important events. One of those was the Somerset Fire Brigade Medal Presentation and Annual Dinner. It was great to see so many members receive recognition of their service to the brigade. Without mentioning them all, I'd like to give special mentions to Ron Grave, who received his 38 year appreciation certificate; and to Mrs Marilyn Dawes, who is the wife of the brigade's chief Robert Dawes, who received her life membership. Well done to you all.

We then had the 51st Birthday of the Wynyard Senior Citizens Club and a ukulele concert provided by the musicians from U3A, which was another great event.

Rural Health Tasmania Inc., situated at 33 Goldie Street, Wynyard held a sausage sizzle and health information lunch session last Tuesday, which was very well attended. I'd urge anyone who needs advice on any health situation to drop in there and have a chat. They're great people to talk to and can be of enormous assistance.

With the school holidays coming up, there will be a range of activities on offer for kids in the Waratah-Wynyard and Circular Head areas. Council's community team has planned a program including trips to the movies, laser tag and a tree top adventure. Further details of these events are on our website and Facebook page, and you can also contact Chantelle French on 6443 8320.

There are many more events approaching in the near future, so stay tuned to Waratah-Wynyard Council to make sure you don't miss out.
