A MONTH OF FUN

Welcome from Waratah-Wynyard Mayor, Robby Walsh

I would like to take this opportunity to welcome you all back to Wynyard for the second *Spring Loaded* calendar of events.

Due to restrictions around Covid-19, Council was unable to safely host the 2021 Tulip Festival. Instead, Council has collaborated with local businesses and community groups to produce a month-long program of events and activities for the public to enjoy.

With another difficult year for all, it is a pleasure to be able to hold some events around our wonderful municipality.

This *Spring Loaded* program has something for everyone. There's live music, cocktail parties, drive-in movies, a bonfire night, a Hole in One golf competition, and even fireworks at Gutteridge Gardens.

For those new to our municipality, spring is a wonderful time to explore our unique countryside. I highly recommend taking a trip to the Table Cape Tulip Farm to enjoy the tulips in full bloom, or marvel at the views from the Table Cape lookout. Be sure to visit the Wonders of Wynyard Exhibition and Visitor Information Centre, home to the incredible Ransley Veteran Car Collection.

I'd like to say a big thank you to the local businesses and volunteers who have generously contributed to the program of events.

I hope you enjoy *Spring Loaded 2021*.
